

GET A DOUBLE DEGREE IN TWO COUNTRIES

Our double degree course will give you the exciting opportunity to study at two world-leading institutions – Chulalongkorn University (CU) in Thailand and the University of Essex (Essex) in the United Kingdom – and receive two degrees:

- Bachelor of Arts (Honours) Politics and Global Studies
- Bachelor of Arts (Honours) Social Sciences

About the course

You will learn how to ask difficult questions to find important answers. We will encourage you to challenge your own opinions and uncover the truth. Our course gives you the rewarding intellectual experience of discovering two different approaches to the study of social sciences.

- Take a multi-disciplinary approach to the study of social sciences by taking classes in a range of different subjects.
- Gain a truly international degree and take your studies global by spending time on Essex's beautiful Colchester Campus based in one of England's historical towns.
- Benefit from the academic expertise of two institutions which are world leaders in their fields.

This course will last for four years in total and you will enrol and complete two years of study at both universities. The standard structure of the double degree will be:

- Years 1 and 4: Study politics and global studies at CU
- Years 2 and 3: Study social sciences at Essex

Modules at Essex include *Introduction to International Relations, Politics and Power*, and *Introduction to Sociology and Criminology*. Modules at Chulalongkorn include *Global Political Economy, Public Policy and Cross Cultural Management*.

Tuition fees

Up-to-date information on our tuition fees are available online.

www.essex.ac.uk/fees-and-funding/ug/international

All students from CU who attend Essex as part of the double degree will be eligible for a 20% tuition fee discount.

Department of Government, University of Essex

The Department of Government at the University of Essex has always been the highest-rated politics department in the UK (REF 2014, mainstream universities).

Our academic staff are some of the biggest names in the field, giving you unrivalled access to the best minds in politics. As well as conducting ground-breaking research, our academics advise political parties, governments and international NGOs.

Faculty of Political Science, Chulalongkorn University

CU's Faculty of Political Science is recognised as "The Pillar of Thailand's Political Science"; representing progress, peace and social responsibility.

It is renowned for producing leading graduates to both service the country and international organisations. There are several quality research centres and institutes, and both undergraduate and postgraduate courses are offered in the subjects of government, international relations, public administration, sociology and anthropology.
